

Merodis executed the sale of Oystershell's Animal Health business.

August 16th 2016, Brussels, Belgium

Merodis, an independent corporate finance advisory boutique, is pleased to announce that it successfully advised Oystershell Laboratories related to the sale of its animal health business activities to Artuvet Animal Health.

Oystershell Laboratories is a fast-growing pharmaceutical company specialized in the innovation of consumer healthcare products (OTC), by combining scientific progress with greater consumer satisfaction. Oystershell Laboratories develops non-prescription pharmaceuticals, medical devices, insect protection, cosmeceutical and nutritional products to keep you and your family healthy.

Artuvet Animal Health is an innovative pharmaceutical company originating out of a recent carve-out of the European veterinary business of the Danish pharmaceutical company ALK-Abelló.
